A New Book By Mel Grams

THE WINDING ROAD tells the story of Mel Grams' spiritual journey of the last fifty-seven years. The pages of this book cover the events of that journey and the spiritual growth that took place.

The book opens with Mel's personal testimony of making Jesus THE LORD of his life. This took place after twenty years of ministry. It was a totally life-changing experience.

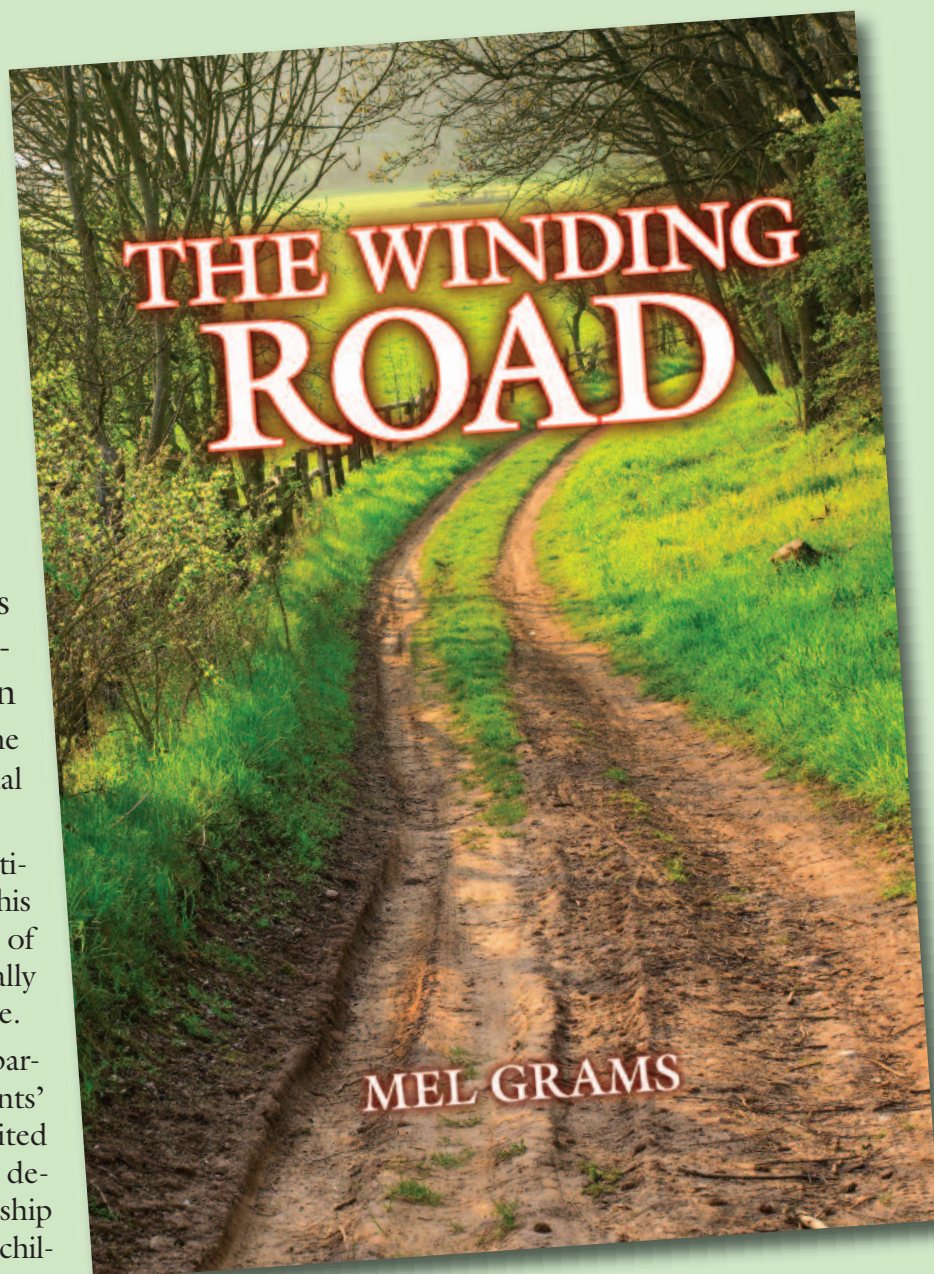

Mel then tells of his parents' and grandparents' emigration to the United States in 1908. He describes their relationship

with the Lord and how they raised their children with godly principles.

Mel shares many of the lessons that he learned on the WINDING ROAD. It is Mel's prayer that you will be able to relate to his experiences and be helped on your journey.

He also desires that his children, grandchildren, and great-grandchildren will be challenged to see God working in their lives as they travel their own WINDING ROAD.

Mel trusts that all who read this book will share the words of Jacob in Genesis 35:3. *He has stayed with me wherever I have gone.*
